## Who We Are?

**Eagle Industrial Services Pvt. Ltd. (EISPL)** is a notable security and facility service provider in India. It was started with the idea of contributing to the growth and evolution of the Indian service industry. It has a professional and trained workforce of over 1700 security guards and manpower. Our male and female employees are deployed in plus clientele units. We can provide all kinds of manpower like operators, welders, fitters electricians and laborer's. A part from this we also provide equipment & staff for housekeeping in any type of industry. The company is being managed by highly trained and experienced officials from the field of defence, police, and paramilitary forces.

EISPL is privileged to be part of the Sumeet Group Enterprises that has over 40000 workforce spread over 22+ states.
